## Legal residence in Middelburg

(Address: Kanaalweg 3, 4337 PA Middelburg)

All students who will live in Middelburg need to register at the Municipality of Middelburg, this includes exchange students.

There are 4 categories of students, please identify the category that applies to your situation and take the appropriate action.

### 1. Registered as a resident of a Dutch municipality

If you are registered as a citizen of a Dutch municipality – regardless of your nationality – you only need to inform the city of Middelburg that you will live in Middelburg from now on. You can register at the municipality by submitting a form (only in Dutch) in advance. More information can be found on the website of the municipality: [Verhuizing doorgeven | Gemeente Middelburg](https://www.verhuizingdoorgeven.nl/gemeente-middelburg).

### 2. EU-nationals, Swiss and Dutch nationals registered as citizens in a country other than the Netherlands

If you are an EU, Swiss or Dutch student who is not currently registered in a Dutch municipality, you will need to make an appointment with the municipality to be registered. Make an appointment via [this link](https://afspraken.middelburg.nl/services). Once you have opened the link to make an appointment at the municipality you should select “BRP registratie” twice and click on “Next”.

at a later date, and provide you with your BSN. The BSN will allow you to open a bank account and further insurance if required.

### 3. Nationals who require a residence permit – all non-EU nationals

If you carry a non-EU passport and do not currently legally reside in a Dutch municipality, you will need to make an appointment with the municipality to be registered. Make an appointment via [this link](#). Once you have opened the link to make an appointment at the municipality you should select “BRP registratie” twice and click on “Next”.

The screenshot shows the website <https://afspraken.middelburg.nl/services>. The header features the Middelburg logo and the text "Create appointment". Below this, it says "Service (step 1/4)". There are two dropdown menus: "Select a theme" and "For which service would you like to book an appointment?", both set to "BRP registratie". A green "Add service" button is below the second dropdown. At the bottom are "Next" and "Cancel" buttons.

The appointment will take about 15 minutes and you will need to bring the following documentation:

- Valid passport(s) (with the MVV sticker in your passport if your nationality requires you to have this).
- Rental agreement
- Legalized copy of your birth certificate also known as apostille (+ sworn translation if language is other than English, German or French)
- V-number (mentioned in the IND approval letter)

Make sure to be on time, plan your appointment in advance and close to your arrival date. At the appointment, the municipality will take your birth certificate, which will be returned to you at a later date, and provide you with your BSN. The BSN will allow you to open a bank account and further insurance if required.

### 4. Exchange students

You will also need to register at the municipality and can follow the instructions for EU-nationals or non-EU nationals above (you don't need to provide a birth certificate as you are not staying longer than 1 year). You will need to be registered for more than 4 months, so your registration does not count as a short stay.
